The Premises:

i called from the car when i arrived a the place which is in moortown in leeds, the area and the parking were good

The Lady:

chloe has a great personality, very bubbly, and charming, with the blonde hair and the most beautiful eyes.

she is both beautiful and intelligent which added to the girlfriend experience.

The Story:

chloe was as i had asked, dressed in a white basque, and stockings and heels, and looked so sexy, i went hard just looking at her, she then took my hand and lead me to the bedroom, which again was very nice and clean, once inside we kissed again, which revealed the most amazing breasts, my hands were all over her body and started kissing her beautiful breast, and teasing her nipples which really turned her on, this lady has amazing oral skills by far the best i have had in years !!! and the sex was truley amazing, chloe really does enjoy giving pleasure she is 10/10 this is far the best i have in years, and one not to miss and there is no clock watching, unlike a lot of girls, and i will return very soon,

well what can i say but FANTASTIC, boy did i enjoy my self, hope you did ? and we do seem to be on the same wave length, you are one sexy lady who knows how to get the most out of me, i don't think i have been as hard for so long, in a long time.
