### The Premises:

A typical family home in a village, easy parking and access and discreet entry via back door

### The Lady:

Talullah is a very pretty well proportioned 20 year old with nice handful breasts and pointy nipples.

### The Story:

What a star! - Talullah is the girl that you see in the street and say 'I wish I was young again'. She is fresh, enthusiastic and responsive. A mix of soft, tender and passionate kissing was enjoyed by both sides. All the usual services are on offer except A, but who needs that when everything else is so good? She may be a little more expensive than some but she is well worth it. Look after this little gem as I want her to be around a long time.
