The Premises:

Very nice flat in a block of 3 floors

Situated on the second landing with access by a mayfair door entry system

The place was both safe and secure and at night the area is quiet as i was told it also is by day.

the flat was exceptionaly suited for purpose as was the bedroom laid out with creams talcs,and toys.

The Lady:

diamond is a pleasant 30ish lady brunette long hair and great 38 tits

shapley to curvy size10/12 but very shapely with it

Dressed in a basque and wearing stockings and High heels with the seam running down the leggs perfect and lined up with the black patent heels on her shoes.

Presenting her self with that elegant touch of class thats hard to find these days like a diana dors look for those whom can remember

The Story:

I was greeted with a lovely kiss on the cheek and offered the chance to have refreshments and a quick chat to get to know her of course i declined wanting to get down to business.

She led me like a naughty boy through to the bedroom were she slowly undressed me whilst gently kissing my chest whilst she removed each piece of clothing

what followed was extacy as she started to blow me and then kicked herself over me into 69 were i returned the favour it was soon obvious i was in for a great session as we rolled around in several positions playing touching,fondelling and kissing each others body

we finished up in mish and it was over and time to take my leave having exhausted and emptied my self

Loved it Diamond xx thx Chef
