The Story:

This was my first visit to HoD having read so much about it and its girls. I had some reservations about choosing Rebecca given two reports that did not recommend her. She was very chatty in an unsexy way: indeed for a girl with such a nice body she didn't seem very sexy at all. Started with a massage which failed to arouse me. She seemed a bit anxious and always seemed to be holding back rather than letting go. No OWO although she does it at 'discretion', and no explanation as to why it was not offered. Kissing a bit perfunctory. She did let me go down on her and responded positively although no fingers allowed. We just didn't get on, which I'm sure is as much my fault as hers. My experience seems to echo the experiences in some other of her reviews. Despite all of this she is a very pleasant friendly girl, and extremely good value for money. But for my next trip to HoD I'll try somebody else
