The Story:

I had a brief chat with Maxine the week before in the kitchen and couldn't stop thinking about her ever since, so had to make the 100 miles round trip from London specially to see her.

As she entered the room my jaws dropped as I laid my eyes on her stunning figure. She passionately kissed me with her pouty lips which immediately bought me to attention.

I stripped her off her black stockings and heels and found her feet very pretty and sexy. Played with them for a while, kissed them, sucked them, stroked my cock with them. Next on to 69 where I gorged on her pretty pussy while she gave me a very wet OWO

We had sex in cowgirl, doggy during which I took my cock out and inserted a finger in her which she seemed to enjoy so much that she came after a while. Lastly, we had passionate sex in missionary where I could feel her whole body and her tight pussy gripping me. Then finished off with a hand job.

This was a great experience and am very glad that she will be now available closer to me in London. See you soon babe
