The Premises:

Flat in a Victorian house conversion in a terraced street. Easy to find & street parking available. The flat was clean & tidy. Nicola stated that the area was not a good one, but looked OK in the daylight.

The Lady:

Young - early 20s, curvy and busty (34FF) olive skinned girl who likes wearing corsets. Currently has auburn hair, although it is dyed.

The Story:

Nicola is quite chatty and friendly, but not so that it is off-putting. She gives a good girlfriend experience, slow and sexy, with a good uncovered bj with lots of eye contact. She is happy to do any position, but best i think is her on top so you can play with her lovely tits. Nothing else was on offer, although she said she would give light dom if needed!
