The Premises:

The New Thai House was easy to find with a large number 1 above the door in a quiet area of town. It was very clean and tidy with a high decor standard. The room i was taken to had a very large bed but no shower or wash facility.

The Lady:

Naree came into the room and was instantly very pleasant and very very attractive wearing a tight stretch dress. She was slim and around 5feet tall. Very Sexy

The Story:

Naree Introduced herself and checked my receipt to see what massage i had payed for then asked me to strip naked and lie face down. I bought a 45 min thai massage for ?30 and was very pleased with the service i received. a good massage and a few clicks and groans from my back which felt good.

Nearing the end of my 45 mins Naree asked if i wanted any other services. these ranged from ?60 to ?80. I didn't take much notice of the details because i knew i wanted everything on offer. she started with a big cuddle and kiss and kissed her way down to a very nice blow job without condom. i asked her to turn round for a 69 which was amazing with her shaved pussy in my mouth as she sucked me. eventually she asked if i wanted to make love before putting a condom on me and we worked our way round a few positions during sex and ended up doggy style to a horny completion.

I will return to New Thai House and would be delighted to see Naree again or equally happy to meet the other girls.
