The Premises:

House of Divine operates out of a fine building in South Kensington. All very well run with maid service and plenty of clean blue towels!

The Lady:

Krystal is truly a stunning looking girl with a lovely figure. I have been haphazardly seeking the perfect black escort in London over the last few years and I think that I have finally found her. Lithe fit body and a beautiful chocolate brown colouring.

The Story:

Krystal was easy going and confident and arrived in a figure hugging dress that unhooked all the way down the front to reveal her admirable assets. Krystal was standing in today and I was lucky enough to notice she was unexpectedly in the London House of Divine. Divine indeed... a very enjoyable time with a true beauty. I will be back...
