The Premises:

A third floor flat in a block on what looked like a Council estate. The flat was clean & there was free parking nearby on the street. You could also park on the estate but I choose not to.

The Lady:

a dark haired milf aged in her late 40s/early 50s who is about a size 10/12 with a nice bum & quite busty.

The Story:

The lady was Hungarian & did not speak much English. When I arrived another lady made the introductions & got me a drink - she then disappeared. Not being able to communicate made things a little difficult, but was quite sexy in a way. Belinda gave a nice massage, a good BBJ, titwank and was happy to let me go down on her. This I think she really enjoyed. Penetration was offered, but I declined - I asked & she finished me off with more BJ & allowed me to cum in her mouth. All in all a good punt.
