The Story:

She does a nice job with the BJ, sucking with affection. Seems genuinely horny and into it or a fantastic actress. She liked getting fucked vaginally and really seemed to like anal. Infact, she backed into me when I was in her ass. That was more than balls deep, she seemed to want the cock as deep in her ass as she could get it. I will visit her again the next time I am in London. Hopefully she will be as horny as the first time.
