The Premises:

In a gated community near Hackney Downs station. Perfectly safe and discreet. The room is small, but clean and fit for purpose.

The Lady:

English, average height, in her mid-thirties. Very nice slim, curvy figure with pert breasts and bottom. Short, punky, pink hair and a couple of small tattoos - thankfully, no piercings. Nice smile. Mary's point of difference is that she is completely unshaven or trimmed, with natural pubic and underarm hair.

Everything on her website is accurate and genuine.

The Story:

Mary has another job and escorts part-time, usually available on Tuesday, Wednesday and Thursday. She is enthusiastic and wants to please, and in my case she certainly succeeds - I've seen her three or four times now, and it honestly does just get better and better. Kisses and cuddles really nicely.

She does most services apart from CIM and anal. She is very responsive to oral and manual stimulation and loves to see you come, preferably all over her breasts, which makes her giggle.

If you fancy trying a natural, unshaven girl who enjoys what she does, look no further.
