The Story:

This was my first time in MK. I was not disappointed. Louise gave a wonderful sensuous light massage just the way I like it. She was very relaxing to be with, kissing on the lips too. The massage was followed by sex. I wish I'd realised she did owo. Oh well, there's next time. I'm hoping she'll be doing this for a long time as she's now my number 1.

Thanks Louise. I look forward to next time.
