The Lady:

I was very impressed when I met Denver, great body and was welcomed with a big kiss in the lips and when she walked back out of the room I couldn't help but notice her great firm ass!

The Story:

Had a great 30mins with Denver, she was very experienced and knew how to please. I couldn't get over how well she had looked after her body, it was awesome and couldn't wait to explore.

Was offered O without and deep throat for an extra ?20 which was well worth it because this including 69 reverse oral and to have her ass within inches of my face for ten mins was amazing.

Denver even let me rub baby oil into her ass and loved it, great experience and after several positions I decided to pull off the mac and cum all over her sexy firm ass!

Excellent punt and I will for sure be back asap!
