Cute, very petite, but with nice curves. Photos are accurate, except she had her hair cut shorter. Dressed in figure-hugging outfit.

The Story:

Daniella had been personally recommended to me by another punter on here, and after having her in my "Hot List" for ages I finally had a good opportunity to go see her.

I'm very glad I did; this was one of those encounters where I was at my ease immediately, and when I didn't have my mouth otherwise engaged we were chatting like old friends. The sex was great - started in the living room gradually undressing each other while snogging, and although I'm not that tall myself Daniella was able to perform OWO while we were both still standing!

Daniella was recommended to me as being great for WaterSports, and this was spot-on - she knows what she is doing. After showering off we moved into the bedroom, and more pussy-licking, cock sucking and then the main event.

We'd made good use of most of the time by then, so retired back to the lounge to retrieve our clothes and finish off with more chat.

All in all, a top-notch experience with a very sexy and accomodating woman.
