The Premises:

Apartment in a quiet side street not far from Horley train station. Decent area, appeared safe. Clean, nice-smelling room.

The Lady:

Cute Asian girl, nice ass, small tits, apparently mid-to-late 20s. Large lovely tattoo on her back.

The Story:

Got the money business over; then she undressed me and I did same. Went straight to sucking on my nipples, and her hand quickly made friends with my cock before she asked how I wanted to play the game.

Massaged my back while I massaged her clit, then covered oral, on to cowgirl, mish and finished doggy.

Took her time taking off the helmet and wiping me off with baby wipes- very nice touch.

Would be back if I could, but the area visit was a one-off.
