### The Premises:

Excellent, as reported all too often before. For those disinclined to trawl through previous reports, clean, safe, plenty of parking, etc.

### The Lady:

Very pretty. French/Lebanese mix so rather exotic; firm body, impressive boobs, nice smile, small landing strip. For fans of the woman who, to resort to cliché, has curves "in all the right places", I'd have thought pretty much perfect. I usually go for the more petite girl, but Poppy definitely has the "wow" factor. I was glad I veered away from my norm.

### The Story:

20 minute appointments are pretty much a waste of time, and it really wouldn't be fair to write an extensive FR for a girl based on such a meeting. They do serve the useful purpose that if a). you're really, really frustrated and b). you really, really only have 20 minutes, as sometimes happens, they give you a chance to unload but if I am honest, they are not very enjoyable bookings outside the basic sense of relief gained. Needs must, though.

I won't describe the action because, at 20 minutes, there wasn't much to describe. I would summarise simply that Poppy is very pretty, has a truly "hot" body, makes a real effort to stimulate, was as much fun in 20 minutes as I could have hoped and, best of all, I thought made at least some effort to sense what I wanted and deliver it without being explicitly told. So I enjoyed my least favourite punt (the very short one) about as much as I could have hoped to.

My take-away is that I'll be back to see Poppy for a decent length of time very soon, as I suspect it'll be a very good punt indeed. And I'd recommend her highly to others. Looks, personality, and enthusiasm are a potent combination; she's got them all!
