The Premises:

I was in a hotel.

The Lady:

Beautiful slim dark skinned girl, she was well dressed yet discrete. Good tits, nice legs and ass, she had a nice shape to her. She was on time and very well presented.

The Story:

Catherine was a good gfe, plenty off cuddles and deep FK. She gave massage followed by bj,uncovered. She carried on a bit massaging me kissing my body while giving hand relief and giving bj, it was a very erotic experience, I came very strongly, nearly in her mouth, covered her face and my belly. She kissed me while rubbing her body against my by now slippery body. Gave her reverse oral, nice pussy very clean and completely shaven, Slipped a finger in her brown hole and she was instantly very wet.

She lay on her front and I pushed in from behind, she had one hand playing with her clit while I rode her. She was moaning gently then all of a sudden her body was shaking through orgasm, this brought me off again very strongly, this girl seems to genuinely enjoy sex and you certainly have a good time with her.
