The Lady:

I am certain the photo's are of her (Tattoo gives it away) but I would say they are not that recent. Love is very very petite out of high heels less than 5ft tall and slightly built. Very sexy and fit body though! Clean and clean shaven.....

The Story:

Nice greeting to start, paperwork done... offered drink / shower etc. Then straight on with OWO and so much more. Won't bore you with too much detail, but to say I do not think anything is off the request list! We tried, A-levels (she is sooo small so asked to go easy), she rimmed me and I returned the favour, on to inserting a butt vibe / plug in me! then 69 where I came in her mouth she passed my cum back to me! then took it back and swallowed.

One thing I must say, everything she does she does so willingly which is so good as she also seems to enjoy doing it for you and making you happy (satisfied)!! A really good full service girl, thanks Love cu again soon.
