The Story:

I had always gone for Full Service punts before, but after reading a previous FR, I decided to make an appointment with Michelle.

I was greeted at the door by Michelle and shown into the lounge which had a professional massage table/bench set up for me. Straight down to business with a very good and relaxing massage. After a short period, Michelle started to tease my neither regions with her hands and fingers.

When I turned over this continued and was enhanced by an excellent prostrate massage. Michelle's Oral skills were top class, nice and slow and deep. All of led to me blowing my special sauce all over her lovely puppies.

I would definately return, as I felt that it was great value, but the service was excellent!! The only thing that could be better would be a shower after the main event.
