### The Premises:

Very modern, tidy services apartment in a well-known complex in the West end of Aberdeen. Door buzzer access was discreet and easy to find. The flat was clean and new-looking.

### The Lady:

Amber is a gorgeous, curvy young black lady. I was very pleased that she was twice as attractive as portrayed in her piccies on a well-known listing website, instead of me being confronted by the non-photo-shopped version of the face like a slapped arse. Beautiful smooth skin, very pretty face, bright white smile, firm breasts and a fabulous round blacky lady's ass that made me want to applaud! Amber is very well-groomed and clean.

### The Story:

Despite the age difference, I was half in love with Amber within ten minutes, and as a seasoned punter, that's saying something. What a seriously lovely girl. A really nice welcoming, bubbly personality, matched with intelligent and good humour. I could have hours and hours in her company. I just seemed to click with her straight off. Her body is terrific - all curves and soft femininity. The sex was great, much better than I had any right to expect from a 20 year old woman - she is a natural giver. She seemed to enjoy RO, judging by her sexual response, and when she asked me teasingly why I was smiling as she eased her amazingly snug pussy onto me in cowgirl, I told her to leave me alone, as I was happy! I loved every minute with her, and enjoyed her and her body very, very much. Amber knows how to please a man, and does so with sensuous skill and enthusiasm. If she comes back to Aberdeen on tour, you'd be a damn fool not to go and see her. Treat her well - she is a gem.
