#### The Premises:

My first report on Ego after many a vist and it must be said that although the building is on the edge of a public car park it is quiet and seems a safe area. Inside Ego as per all all my visits was warm clean and met with a smile by the receptionist.

## The Lady:

What can i say about Natasha?? Her photos are accurate, fantastic body, toned in the right places and a shape thats second to none of the girls there..

## The Story:

Having frequented Ego for quite some time now and having seen most of the girls there i never imagined a body to body massage could be better performed.. From the moment Natasha started to massage me, she was on and off the table using that gorgeous body to maximum effect, even when i turned over to admire her full glory did she not let up stimulating me and holding me on the brink until i could hold back no more..

This was by far the best relaxing erotic experiance i have had without having sex and without a doubt will be back very soon. Gents Natasha's body to body has to be experianced to be beleived and its an experiance you cant put into words.

Thanks Natasha x
