The Premises:

Nice clean flat between Edgware Road and Marylebone tube stations. Easy to find, safe area,

The Lady:

A bit chubby but with nice natural tits. Long black hair that turned out to be a wig. I found her rather pretty.

The Story:

I was a little bit early and she answered the door wearing a thong and old fashioned fluffy slippers. Although clearly the girl in the photos, she was not at all glamorous. I began to have doubts, but decided to stay and she gave me a huge glass of vodka. Then began a spectacular punt. Lots of everything that is mentioned in her profile, with great enthusiasm and passion. She did not dominate but still made suggestions. The first half hour was a fantastic PSE experience: she did everything I asked for and I was in a rather filthy mood. She just gave and gave with no holding back. The second half was a wonderful GFE: lots of tender kissing, fondling and cuddles. She responded well to my attention with no artificial lube for her pussy, which is always nice. She's been here 4 months but her English is good and she is an intelligent girl, so conversation was interesting. Japan on this site, but she has other names on other sites.
