### The Premises:

A bit small compared to previous ABC flats, but more convenient, and does what it needs too...  
Guess we were spoilt by the facilities of previous one.

### The Lady:

Petite, perfect proportioned young lady, long brown/blondish curly hair.(photos show it straightened, but prefer her natural look). Shaved down below, and great legs.

### The Story:

This is not based on one particular meeting as I have had 4 bookings in the last fortnight with Grace, and the standard is not only not dropped (which I find is usually the norm) but has gotten better.

Obviously I find we get on rather well by now, and the chat is easy, but that was the case during our 1st meeting as well. But to those that this information is irrelevant, I can assure that her perfect body delivers the goods. From very passionate kissing, to a sublime oral (no cum is her only negative(if that is your thing)). She really seems to enjoy her job, no faking with this girl...but the best thing (for me)was after "earning her money" the 1st booking, and I made moves to get up and ready myself to leave, she pulled me back towards the bed, and whispered "this is my favorite position", as she insisted we cuddled for a while. Boy did she make me feel special....she certainly is.
