### The Premises:

excellent modern apartment. full facilities and a nice cup of tea to boot.

### The Lady:

Zoe is a lovely shaped size 10 early 30's sexy looking lady. I could taste/smell the sensuality emanating off her. B cup boobs, a tidy figure overall.

### The Story:

I found the apartment very easily and sent a text to Zoe to let her know I was there, she texted straight back telling me to buzz myself in and head up to the apartment. I knocked on the door and was met by Zoe in a nice set of heels and a classy blue dress and an instant 'hello?', smile and then snog... great!

I freshened up in the bathroom and then walked through to the bed room to find Zoe looking very alluring and very quickly standing in very sexy and high quality lingerie set. We were straight onto the bed for a wonderful kissing and cuddling session. Zoe really gives everything to you and gave the best GFE I have experienced as she gives you all, no holding back in anyway. After a bit of Kissing, cuddling and exploring we moved onto the thing that I had come to try with Zoe, a tie & tease session.

Zoe bound my wrists expertly by swooning down for a kiss and as she reared up by wrists were suddenly pulled tight together and so I was at her Mercy. Quickly I was blindfolded and then enthralled to 20 mins or so of sensory pleasures. My mouth came into contact with lips, boobs and pussy, all tantalising in range but unseen. Zoe explored my body with her lips and tongue and soon were going. God her blowjob technique is good. Good sucking but some of the best ball licking and sucking I've had. It was great not see but just feeling sensations.

After 20 or 30 mins Zoe came up and removed my blindfold and freed me from my bonds, time for fucking was about to commence. I took a quick break and returned to find Zoe postured on all fours and want me to take her. I got to work with some more pussy licking and then rimming of her neigh

on perfect arse. Then a bit more blowie for her and I took her in Doggy. This was really very good and she is the first girl I have seen who has an amazing ability to move her pussy muscles so they sort of milk you. She really is a talented girl! I pounded away for a few minutes but it seemed my cock wanted more oral pleasure rather than hardcore fucking; and so I slipped out and we returned to some excellent oral while I played and pleased her with my hand and also I think 69'ed again?

I could feel the vinegar stoke coming on and wanted to finish in a messy way in her mouth and over her face. She sucked brilliantly, combined with some hand work and then I took over the hand work as she moved to ball sucking at my direction. As the final stokes came she'd moved back to receive my baby gravy in her mouth and over her cheek and jaw.

What is so impressive and stands her out as the most skilled girl I've seen (added to the blowjob technique and proactive pussy) is that she then played with my spunk and didn't immediately spit or swallow it. Sliding her mouth up and down my cock so I was fully milked, she'd turned the spunk frothy, I couldn't resist and went in for a spunky snowballing kiss, god it was good!

Afterwards we lay together and again Zoe gave everything of herself for a perfect GFE, just holding each other as if we were about to fall asleep together. With no pressure or rush we kissed and cuddled and chatted about cricket, music, punting etc and so the punt came to a natural end. What a superb girl, she is extremely witty and funny throughout as well as being great at fucking!
