The Premises:

Clean and tidy IK apartment. Have visited it on a number of occasions with different ladies.

The Lady:

5' 3", slim, gorgeous, sexy as hell. Brown hair, sexy eyes, amazing smile. A body to die for

The Story:

Well, where to start.

A lingering kiss at the door. A glass of wine. A very quick chat, followed by intense kissing. Unzipping her dress to reveal her amazing breasts that required immediate attention. Removing the dress, panties and shoes to leave her just in stockings.

Lying her back on the couch to taste her, knocking the glass of wine over - 'oh well' was her comments. Continuing to lick and play with her delicious pussy. I could have stayed there all day, and I doubt Daniella would have minded.

Off to the shower, very quickly. To the bedroom, and the real fun begins. Some wonderful OWO on me, followed by a first - standing 69. Always wanted to try it and found the perfect woman to try it with. Will be doing that again the next time we meet.

On with the overcoat and in to doggy to complete round one.

Both hot and sweaty we relax with some more wine and a nice chat.

Daniella decides to bring some life to the old dog, and off we go on round 2. More OWO, O on her, cowgirl, mish, doggy. Sure we had more OWO in between, but after lots of trying the old man wouldn't fire again but was willing to keep trying.

The time definately overran but I never felt rushed and enjoyed the whole experience.

Will I see her again.

After an hour like that NO.

Only kidding. Can't wait.
