### The Lady:

Blonde, beautiful eyes. See photos on the website - What you see is what you get.

### The Story:

I have seen Cat on a number of occasions in the past - and this time decided to write a report. I arrived at 3.00 and Cat welcomed me like a long lost lover :) She made me welcome and we made our way to the bedroom. She was great and after an hour of "real fun" I went back with a beaming smile. Definitely recommended and I will keep seeing her again.
