The Lady:

As per web site, I thought she was German from her voice but she was Polish. Nice blond hair, 5'8 and an ok figure - not a model but then you don't worry about the mantelpiece when you're stoking the fire!

The Story:

Having finally manage to find the place (if going by car - don't go to Caledonian Rd Station, as she directs you, it's a 10 minute walk) I was a little concerned at the way she was talking to me but once inside and after handing over the money things went from good to better. She was wearing a satin slip and laid on the bed and then gave the best BJ (OWO) I have ever experienced in my life. It was sensational. I don't know how she does it but she should get the Queens award for industry for it. Was so pleased with the BJ I nearly forgot about the sex but she didn't and she rode me cowgirl styli. To finish, I asked her to sit on my face while I played with myself and finally blew a load. She is sensational.
