The Premises:

Smart Art Deco block in St. John's Wood, just off the Edgware Road.

The Lady:

Heavy-set plain Asian/Indian woman in her late 20s.

The Story:

Faker alert. The photographs of "Only Jenny 19", who also uses the name of Angel on her profile page, show a stunning slim young brunette. The reality is rather less alluring: an ugly overweight indian-looking woman. Upon checking today, Angel/Jenny's profile has disappeared to be replaced by somebody called Nadine who is showing as 23 and is rather closer in appearance to the woman I saw. Anyway, all very suspicious and certainly best avoided.
