The Lady:

Ashley is very friendly, nice on the eyes and very busty with a very cute bottom. She has long hair which is chestnut at the moment but am told this is about to change.

The Story:

Met at the door by Ashley dressed as a nurse as I had requested she looked very hot, was lead to the bedroom where we got the money thing out of the way and settled down on the bed, she put me at ease right away and soon was getting my clothes off. I don?t think you need to know all the details but I really did have a great time with Ashley and will be going back again soon for more of the same.

She is not one to be missed guys and highly recommended.
