The Premises:

First floor flat near to the MK Centre shopping mall.

Felt a bit conspicuous waiting around outside of the building whilst waiting for the appointed time.

Inside was clean and tidy.

One thing that did disappoint was that I was not offer a chance to shower.

The Lady:

I had booked Maxine on the basis of the stunning pictures of her posted on various websites, which having now met her have obviously been photo shopped to some degree, as she is not the stunner you would expect from the pictures, that said she is still very pretty, and the posted stats are pretty accurate. Quoted as being Swedish, but has no hint of an accent, sounding more Home Counties than Stockholm.

The Story:

Maxine opened the door to the flat to me wearing only a black silk night gown which left nothing to the imagination, with all her charms on display. I was quickly ushered in to the bathroom whilst she got rid of her previous customer. Then in to the bedroom, me getting to another preview of the delights to come.

Money sorted we get down to business, Maxine soon whipping off what little she has on, explaining that she is being very lazy today in not putting any thing on but the night gown, I say that I approve whole heartedly. I join her on the bed for some light kissing and fondling, of her boobs and arse. Then she lies back and I slip down her to her shaved pussy, and proceed to lick her out, slipping a couple of fingers in to her tight cunt as I do so. Coming up, Maxine slips the condom on me and I get on top and start to fuck her, getting tired I come out of her and get her to suck my cock, which she does well, the Maxine gets on top and rides me for a while before we move to doggy, but not before some more oral. We finish with a mutual wank off.
