The Premises:

entrance on road near petrol station. entrance had a bit of graffiti, but once inside nicely decorated room with Thai themes, and clean. I went in search of the illusive Patty' but was prepared to take what came. patty me-thinks long gone, just her photos to attract us in!

The Lady:

so no sign of patty! but was made to sit down and then paid up with the promise of a two girl selection! I then saw a picture on the wall that said 'no hanky panky in this place' so my heart sank!!but there was!!Dont like choosing, but Linda was a delight! (other was taller wanted them both)small but perky tits,prefer more busty but ok! she was athletic and we clicked and she was up for everything!

The Story:

we kissed and kissed and sucked and fucked and I sucked her out and had her really wet and going!! she promised me next time the back door entrance, and longtime too!!, but think she will move on - sadly, like patty! if I am in leicester again, will try this place again as seems to be well run and you dont need to book, just turn up. pity the girls dont stay!
