The Premises:

Basement flat near Lancaster Gate tube, easy to find after clear instructions from the agency. Love's room is small and tidy, dominated by a large bed in the centre which doesn't leave much room for manoeuvre, and there's a large mirror in one corner. The bathroom is also cosy but perfectly adequate for a quick shower.

The Lady:

The girl is tiny, under 5 ft tall - but beautifully proportioned with small natural tits and a lovely cute little bum. Love's most recent pictures definitely capture her appeal.

The Story:

Love (aka Marisa) has been receiving some great feedback lately, and I'd been keen to book her ever since her latest photo set appeared on the agency's website. I arrived at her flat bang on time but was left standing outside for several minutes wondering if I'd got the wrong address (there's no doorbell either - you have to knock) but on my third knock Love finally appeared, apologising profusely that she'd been busy changing. Seems she'd had a couple of back to back appointments and hadn't really given herself enough time to get ready - or restock her fridge - but no matter, I accepted a can of Coke, handed over the envelope and we were ready to begin.

Thankfully after that rather shaky start things then got better - and better! Dressed as requested in lingerie, stockings and heels, Love looked absolutely divine, and she was french kissing me before I even had my jacket off! After a little bit of small talk to break the ice I asked if I could take a quick shower; Love followed me into the bathroom and kept poking her hand round the shower curtain to grab my ass as I was showering, and then asked if she could suck my cock before I'd even had time to dry off.

Before things got too heavy we moved back into the bedroom where more DFK followed, then Love took off her top and knelt in front of me to perform some glorious OWO with lots of ball sucking. It wasn't long before I was ready to blow and I stood ready to give her a facial pasting, although in the end I think the carpet received the majority of my load!

Love then offered to give me a massage while I recovered, so I lay on my front as she got to work

on my legs and back. I then asked if I could lick her pussy and proceeded to give her some DATY until she reached a climax. She was feeling a little sensitive afterwards so I was careful to be gentle with her as we fucked, with her on top still french kissing me which was a real turn on. After a little more OWO and some great hand work which almost had me shooting my load for a second time, she agreed to let me try that cute little bum of hers as long as I promised to take it slowly. The sensations of reverse anal with her as she rocked back and forth on my cock were incredible, and it wasn't long before I could take it no more and filled the condom.

By this point our time was up but Love didn't rush me, and I was about ten minutes over time by the time we'd dressed and said our goodbyes.

I get the impression that Love is becoming a victim of her own success at the moment and is working flat out - but it's no surprise she's proving so popular with the high level of service and customer satisfaction that she provides. Aside from her desire to please, she is delightful company with a wicked sense of humour and is just a little bit crazy too (in a good way!) All in all a great punt then, and I can only imagine how amazing she is when she's really on top form. If you like petite Asians then Love is the girl for you - but please be gentle with her gents.
