### The Premises:

My house

### The Lady:

5'4, large but pert E cup breasts, wobbly bum, curvy all over, naturally pretty - just a normal, curvy pretty young girl. Some might find her plain, but I loved her sexy girl next door look.

### The Story:

Scarlett has great oral skills and I enjoyed her rimming and fingering me, and she enjoyed my returning the favour - she likes having her bottom played with. Tried a-levels but it was clearly hurting her a lot so didn't pursue for long, she isn't really up to this service. She is quite open minded and we did some kinkier things before finishing with a facial.

She is also a very interesting and intelligent girl.

I think I fell in love with her a bit :) Or maybe just with her bottom.
