The Lady:

Sarah is a new girl to the area, Eastern European I think, approx 5' 8", size 10, blond hair to the shoulders, great figure with a fantastic 36D bust, wearing lovely lingerie & black stockings. I have seen Jasmin before and she is always excellent. Similar height, black hair a little longer, size 8, 34DD, very slim and sexy, great bust and arse, I think Brazilian.

The Story:

After my last reported punt which was quite terrible I have had an extended break to get my head back together and consider if I should retire. I am now determined to accept or decline punts based on the quality available and just walk if required, instead of going through with the motions and hating myself afterwards. I really needed this punt today. It restored my faith in this hobby. This location is on the whole good and normally there is a star girl and a second ok/plain girl. However today both girls were stars. Both pretty, especially Sarah, very sexy and great company. Started with mutual groping of those fantastic tits and bums and got very hard. Jasmin started licking my balls standing up whilst Sarah kissed and rubbed my cock. Jumped on the bed with one on either side. Sarah then sucked my cock (with) whilst I sucked Jasmin's tits. Very good oral. Then fucked Jasmin in doggy whilst Sarah rubbed my balls and bum. Couldn't last long with all this fun, so pulled out, ripped the condom off and asked for both girls to wank me off which they did to an excellent conclusion. Excellent punt, best for months. Highly recommended.
