The Premises:

Nice clean flat, basement in a house with its own discrete entrance. Flat was very nice with good facilities, shower porn movies etc.

The Lady:

Camila is stunning, black lady size 8 and very well toned. I would say she is in her very early 20's, cannot stop thinking about her tight body!

The Story:

Camila took me into a nice bedroom with en-suite facilities, I could see she had a nice figure through her loose fitting dress, she did not wear a bra and her perky tits looked just great, she has rock hard nipples when very slightly aroused.

She dropped her dress then turned around and slipped her knickers off giving me a good view of her parts, she was very close so I gave her some tongue which she seemed to enjoy. She turned around and french kissed me deeply, while rubbing my by now hard member.

Camila pressed herself down on me and was soon riding very nicely, I was sucking on her nipples as she bucked me. I turned her round for some doggie, nice tight pussy and incredible ass.

When I was close to coming she took off the condom and took me in her mouth, this was fabulous and I was soon spurting all over her lovely face. She wiped her face then gave me a long kiss and cuddle.
