The Premises:

Nice clean apartment,easy to find and in a safe area,short walking distance from the tube station.

The Lady:

A very beautiful tall slim Korean girl with a body to die for, small sensitive breasts and a pussy that's makes your dreams come true.

The Story:

She greets you with a wonderful smile which immediately puts you at ease and is always dressed in lovely sexy lingerie showing off her lovely long legs. Very well educated making conversation easy which allows you to admire her beauty before she takes you to her bedroom.

Her body is gorgeous with lovely porcelain skin and has extremely sensitive nipples, the rest I would prefer to keep to myself but you will not be disappointed, you'll be rewarded with the most exquisitely tight pussy you can imagine, just be gentle and treat her well and she will look after you like a king.
