The Premises:

Basement flat in Northdown St. You can't book. Just turn up and pick from available ladies. 5 there when I went and only 2 rooms so lots of milling about of bored ladies. Varnished floorboards made it all very noisy. Chaotic and amateurish, a bit like a worker's collective. Some might quite like the rustic charm, but others who prefer discretion would not want to go here.

The Lady:

Started off badly. I asked to see a girl called Nicky whom I had seen on the Ace Massage page for VIP. Shown to the room and the girl in front of me was 3/4 dress sizes bigger than the Nicky of the picture. So much for Ace Massage's 'verification', or this flat's management of their entry on that site.

However all was not lost. Another girl, Sophie, fitted the bill. Slim and beautiful Nigerian. Not the only cracker either. There was another darkish skinned girl called Sabrina, and another attractive white girl whose name I didn't get, so plenty to come back for.

The Story:

In keeping with the place itself the punt was a little odd but very pleasant nonetheless. Sophie is a slow burn and takes time to warm up. NB ?120 for the hour and an extra ?40 for OWO. Would not recommend the latter at that price.

Anyway after the OWO, we had sex in cowgirl, and finished in fabulous and frenzied bout of doggy which really made the encounter.

Would happily come back here to see Sophie or Sabrina or the other slim girl, but would probably opt for the cheaper half hour option without OWO.
