### The Premises:

A standard Victorian tenement flat off King Street. The place was clean and tidy, though a bit cluttered. A shower room was available too. Plenty of metered parking was available at that time of day.

### The Lady:

Cindy is an absolute knockout, and about 5'4" or so. She is early 20s, says she is from Moldova, is clearly a size 6 and had the sort of figure most women would kill for. A very pretty face, a smallish bust (but very nice), beautifully toned, long, slim legs and an absolutely gorgeous 10/10 rear end that made me want to beg for mercy - I kid you not. Baby soft shoulder-length streaked blonde hair. She is seriously hot - the sort of girl you might see across the room and think 'Bloody hell - if only I could get in THERE, I'd promise to go to church every week'.

### The Story:

After a crap punt last week with that Spanish bint Mira, I needed cheered up. Cindy was unreviewed, so it was a bit of a risk. I really didn't think she could possibly be as lovely as her piccies make her out to be on the well-known listing website, but I need not have worried - she is a babe in my opinion. She is quite feisty and intelligent too, and will stand her ground. She is apparently a student back home, and she clearly pays attention.

We started off slowly, and her body looked and tasted so fabulous. I enjoyed some RO on her, which she seemed surprised to enjoy to orgasm. My turn now, said she, and I gave myself over to some oral, 69 (the view of her rear end is out of this world) and nice molestation from her (BTW, she charges an extra ?20 for OWO) before some prolonged cowgirl which was very easy on the eye indeed. Eventually finished after half an hour in mish, which again was lovely. Her pussy is very snug, and her body really is magnificent, even though Cindy thinks she is too thin! Cindy then gave me a very good firm massage with oil, which made me sort of zone out, before starting Round 2 with more 69 (God, yes!!), cowgirl and then doggy. Given that the room had sunshine streaming against the window, and got rather hot, I started to flag rather before the hour was up - even with the sight of her cute little arse to spur me on. I didn't really mind, as Round 1 had been very good, but Cindy persisted with some oil, until it was apparent that no Happy Ending seemed imminent. Not a problem, in my view.

Go see Cindy while she is here - and she's not here for that long - you will not regret it, I'm sure. She is gorgeous, has good skills, and likes to please her man. Her English is very good, so you can have a conversation with her as well.

Come on guys - let's have more reviews from you!
