The Lady:

Absolutely gorgeous! So glad I made the journey to see Lucy.

Pretty Polish girl with 32G breasts. Nice large brown nipples and 6 months pregnant. A perfect example of an expectant mother. No excess weight and no unsightly stretch marks. Lucy speaks good English and is pleasant company.

The Story:

Every contact I had with Lucy, whether spoken or by text gave me a thrill. She is very polite and friendly and enjoys her work. She wasn't cold & indifferent like some escorts who treat me as just another punter.

Lucy welcomed me inside her flat and gave me a French kiss. Off to a good start! She showed me into the bedroom and made pleasant small talk as the money was sorted out. More French kissing and my hands wandered over her swollen breasts. We undressed and Lucy looked magnificent! OWO was expertly performed and Lucy let me lick her out as well. She was clean and tasted sweet. Lucy offers rimming and anal play which I asked for. The rimming was excellent and the anal play/prostate massage was superb. More OWO/anal play and on with the condom. As I came closer to climax, it was off with the condom for CIM.

Lucy didn't rush and, although I finished after 30 minutes, we lay on the bed and caressed each other until I had my full hour.

A wonderful experience & I will definitely see Lucy again.
