The Premises:

This 2nd floor walkup is on the left past the Blue Posts pub and before Peter Street. The entrance is a white door with a staircase just inside. The bedroom is clean and functional.

The Lady:

Andrea is a bust East European girl with dyed, blonde hair. She was wearing an uplift bra and thong.

The Story:

This punt was one of those where the girl was great, but the service not. I paid ?30 for straight sex, but the warning signs were there when Andrea kept her bra on. The old trick of that's another ?10 ensued and being 32D, the temptation was too great. I handed over the money and it was worth it. Her breasts are large and firm with large, pink areolas. Disappointment two: sucking was not allowed.

Still, having those tits in my hands was worth the price. She gave me covered oral, but it was too hurried and I didn't enjoy it. We had missionary position sex and I pumped away for all my worth because I sensed a time out if I didn't. I had a wonderful orgasm which was a real bonus.

I would recommend her on body alone and hopefully she may be friendlier on another punt.
