The Premises:

Clean flat in a modern development of the A244 close to the A308 Staines road Junction. I suspect that this is the same establishment referred to in FR 102278 by johnpubic and my comments will be similar to his.

There was a PL registered car parked outside.

The Lady:

Slim with waist length black hair. Petite and attractive with lovely big breasts.

The lady I'd spoken to in the morning spoke perfect English with a slight French accent. The lady I saw when I arrived had an Italian sort of accent and told me she was Spanish, but she refused to speak to me in Spanish and clearly wasn't. I suspect she may have been Romanian or Moldovan but she refused to answer any further questions.

The Story:

Quite a pleasant massage, but nothing exciting. Then she turned me over, no kissing allowed, only very gently touching and licking of her lovely nipples. She let me perform oral on her but kept saying 'gently'. CBJ, quite good, then another massage and she did her best to get me to come a second time by hand.

Quite unenthusiastic, very little personality. Pity.
