**Profile Name:** Super Busty Sophie 36HH

### The Premises:

Sophie is usually in Essex, but travel around in UK and abroad routinely. I met her in London this time. Her place (a hotel) is in central London, very close to Euston station and can be easily found and accessed (without going through reception). The place is very clean, safe and discreet.

### The Lady:

Sophie is in her late 20s and she is in good shape: extremely busty (JJ), curvy, pretty face, very smooth skin.

### The Story:

Before met her I have discussed with her what I want through the email which she kindly agreed. Then when I arrived, she welcomed me nicely making me very comfortable. She provided exactly what I want (breast relief and facial) with patience and professional spirit and I am very satisfied at the end. She is very easy to communicate and friendly. I would like to add more credits to her because she is also very considerate: she is always thinking of provide the best to the customer, both the comfortable environment (physically and mentally), and the service (within her range). Finally, she gave me a goodbye kiss that I enjoyed a lot. As there is lack of her reports for almost 2 years, I thought it a necessity to fill this gap. She is highly recommended.
