The Premises:

Nice quiet part of Darlington, easy to find and plenty of free parking. I felt quite safe here and wasn't concerned about leaving my car.

The Lady:

About five feet tall, slim, nice peachy arse and the most perfect pair of breasts I've ever seen(or felt! 100% natural 32 ff!) May is early forties but could easily pass for early to mid thirties!

The Story:

This was yet another fantastic saturday afternoon with May (regular for over eighteen months now!) Out of respect for May I won't go into lurid details about our time together as other reviews have done so! Just treat May with a modicum of decency and respect and she will reciprocate with the most sexy and sensual experience you've ever had! Yes she really is that good! If you just want 'crash, bang, wallop 15 minute quickies' then look elsewhere. However, if you're looking for the ultimate GFE then look no further. May will kiss & cuddle like the most affectionate soulmate or f**k the living daylights out of you! I've seen about seven or eight different girls and none of them come close to the all round experience you get with May. Treat her with respect guys, she really is a rare gem.
