The Premises:

Clean place in a residential block on a suburban road. Not that near a tube station - probably 15-20 minutes walk from Edgware. There are buses, and parking is plentiful and free. I know the area well and it is extremely safe. I would exercise discretion, as it does seem a quiet area.

The Lady:

Catherina is a tall with dark hair. She is slim, athletic with natural boobs - I'm guessing 32D. Facially very pretty. Whenever I have seen her she has been completely shaved. She speaks very good English, I believe she is from Latvia.

The Story:

Catherina is a masseuse with HR only.

I have seen Catherina several times, but this was the first time that she has been self-employed. I opted for a 30 minute B2B (nude). It was a very good experience and carried out with willingness and a lot of personal care. In my opinion, she is better looking than any of the (many) nearby service providers, and gives a better service, for a competitive price. I found the B2B as good as the best in town.

I would have no hesitation in recommending her.
