The Story:

i must say that i was a little bit nervous when i open the door for cathy, but she put me in easy in no time, on her pictures she looks great but in real she looks fantastic, her english is very good. after a nice chat some presents and a glass of wine we went off to the bed, when she was undressed u could see that she goes a lot to the gym her body looks delicious, im not going in to details but i can say the sex with her was fantastic she does everything with a big smile on her face and she really love's it i had a really good time with her. till next time.
