The Premises:

A modern terrace house in a nice area South of Telford town centre. Totally safe. Reserved parking space in front.

The Lady:

Miss Julia is slim and in perfect proportion. Dark hair cut pudding basin(?) silky skin, and very cuddlesome.

The Story:

This lady is a switch, and had, I'm sure, done something sufficiently wicked that I would have been justified in chastising her, but it was a warm sunny day, and I was in a good mood, so we just kissed and cuddled (and kissed) and fondled, and undressed, and kissed, and I had my wicked way with her in traditional ways. She was dressed at my request (to start with) as Fifi, the french maid, and looked very appetising as such. This sounds very boring, although it wasn't, and it certainly was a very pleasant, relaxing and sexy morning's romp, which was exactly what I'd come for. A box of straps, whips, and other toys was offered for me to select anything that I thought would enhance our pleasure, but there was nothing that I needed - just Julia shutting the bedroom door and saying those wonderful words, "I'm all yours"

I'll be back!
