The Premises:

A new apartment in a secure block in the town centre of Camberley safe and not over looked. Very clean in fact spotless.

The Lady:

A small 20 year old Indian girl with waist length black hair. dark eyes and very dark skin. Very sweet personality. Small boobs as you would expect from a tiny girl. might be good for the 10th position of the Karma Sutra but i am sure she would not have a clue what to do.

The Story:

a very expensive disappointing punt. Was expecting a stunner as on her website (asiancutie20) but not the same girl. Very young novice working girl who I am sure is only doing it for the money and to see her through uni. Blow job with was OK and reverse oral was received with relish and sex was so so. Much better for the money at other places in the area.
