The Story:

I wrote a FR for Sophie several years ago but felt I should write a new one as this was a splashing session. It's a speciality service that not many escorts offer and so Punternet has few FRs on this service. Splashing also known as 'wet and messy' involves a lot of fun getting messy with various substances, in this case, 10 gallons of warm chocolate sauce and some custard.

Sophie had agreed to do a very messy session in a paddling pool which I brought with me. After helping me set things up, Sophie got into the pool in just a pair of knickers. We started off with a few minutes of DFK - Sophie's kissing was passionate and sensuous.

We spent about 20 minutes slowly pouring the chocolate sauce all over each other. Sophie said how sensual it felt on her skin and I found it a huge turn on - it's hard to describe!

Gradually, we got more and more messy, rubbing all over each other's bodies. It was a sublime feeling with Sophie rubbing her soft body over me combined with the warm chocolate.

Once her body was totally covered, Sophie looked like she was wearing a really tight PVC outfit - she looked amazing.

I asked Sophie to get on all fours and then I proceeded to pour the custard down the back of her knickers and watched it slowly trickle out. We kept on slipping and sliding all over each other, as we used more of the chocolate, body to body, mixed in with more kissing etc.

There was also some two way oral fun which Sophie seemed to enjoy receiving.

At times, it felt extremely slippery in the pool but that was part of the fun. The hour passed quickly and it was time to finish and clean up.

There are not that many escorts who offer splashing services and certainly not many that can get as messy as Sophie did. If you like splashing or want to try it then Sophie is a perfect partner. She also gives you a great Girlfriend Experience - her personality and attitude can't be faulted.

Overall, I had a really enjoyable time with a very sexy lady.
