The Story:

Well where do I start. Young Dita entered the room with girlish charm looking beautiful in her lingerie outfit. Dita has a stunningly petite figure with a very well toned body. She undressed and me being keen and already naked started to advance across the bed to kiss her sexy lips. She shook her head and said in her sassy Italian voice "no, you dont come to me I come to you". Wow, I was taken aback with this feisty little beauty. She slowly moved towards me on the bed and the journey began, and what a thrilling ride it was. We kissed passionately on the bed then she led the way going down on me untill she was in the position to give me some sweet oral, which she did and it was very good might I add, very very good. We soon got into some more hot sexual action, that included me pummeling her juicy pussy whilst laying on top and hearing her appreciate my rampant thrusting while she is on all fours. I came and maybe she came, and you know what I'll come back. Dita has such a limber body that on my return the kama sutra may have to be explored. This girl is so pretty that I will definitely see her again and again and again and again... Recommended...
