### The Premises:

this was the old Europa establishment which has been taken over by new management, and given a coat of paint. Now an Oriental establishment specialising in thai massage.

### The Lady:

Choice of 2 ladies, my one was Lucky, a slim young girl from Thailand who spoke good English. She was wearing a sexy negligee and did her best to make me feel comfortable.

### The Story:

Stripped, had a good massage with plenty of attention to my cock and balls, before finishing with an oily handjob. I nearly painted the ceiling white she got me so worked up. She said every week they have some new girls, but I think it would be hard to find one better than Lucky. Definitely putting the Tantric into Thai massage !!
